

Annotation

The undergraduate practice report consists of sections such as the introduction, three sections, conclusions, and a list of used literature. The report volume is 21 pages, 10 figures, 11 sources and 2 tables.

The report is a collection of materials that reflect the work of the design department of the State Enterprise "State Kyiv Design Bureau "LUCH".

During the course of pre-diploma practice, the activity of the State Enterprise "State Kyiv Design Bureau "LUCH", including one of the departments of the enterprise, modern methods and means of design, methods and forms of organization of work in labor collectives were considered.

Also, information was searched for writing a master's thesis and acquired practical skills in a specialty.
